Gen 2

- Font: The font used for the atari logo and games' box art (like 'SF Atarian System') or a pixelated font

- Colors: Black background with 2-3 colors taken from the color palette one of the most important games

- Index: The index could look like a cartridge of one of the consoles

- Images: One per section

Gen 3

- Font:

- Colors: The color palette of either Super Mario Bros.(NES) or The Legend of Zelda(NES)

- Index:

- Images: One per section
